CONIM LLC,
Director
Alexey Kitaevskiy

№ 310117 date 31/01/2017

By the given letter we confirm that during 2015 – 2016 CONIM Company provided maintenance and support services of SAP ERP system for VISSMANN IT SERVICE, GmbH.

Services included support of SAP ERP corporate system for Ukrainian representative, in particular the following tasks were implemented:

- Implementation of SAP updates, configuration and tuning of solution for outgoing VAT accounting according to actual legal requirements of Ukraine;
- Development of custom solution for automation of incoming VAT accounting;
- Adjustment of standard program "Register of incoming and outgoing tax vouchers";
- Development of printed forms: "Act of AR reconciliation", "Act of AP reconciliation", "Transport Waybill", "Customs Clearing Declaration", "Fixed Asset Acquisition OZ-1 form", "Transfer pricing statement";
- Stock physical inventory process implementation;
- Participation in tax codes harmonization project within VISSMANN Group;
- Customer support during system productive operation and application of SAP updates.

The works were performed in collaboration with the core team of VISSMANN IT SERVICE (Germany). Project communication language was English.

CONIM has proven itself as the reliable supplier, professionally and responsibly performed tasks based on the specific customer requirements.

We recommend CONIM Company for cooperation in the field of implementation of SAP projects.

VISSMANN Ukraine
Director
ZBANKO Oleksandr
